

Errata

These are corrections to previous LoARs.

April 1991

WEST

Thelic of Darktide. Release of device. Sable, a bend sinister argent charged with another gules, on a chief Or, a demi-sun gules.

When his change of device, *Quarterly Or and argent, a panther's head erased sable, incensed gules*, was registered, the LoAR failed to note that his previous device was to be released. His previous device, *Sable, a bend sinister argent charged with another gules, on a chief Or, a demi-sun gules*, is hereby released.

June 1991

CAID

Alisander du Mont Saint Michel. Release of device. Argent, a compass rose between two flanches sable.

When his change of device, *Sable, a unicorn within a bordure embattled argent charged with an orle sable*, was registered, the LoAR failed to note that his previous device was to be released. His previous device, *Argent, a compass rose between two flanches sable*, is hereby released.

April 1998

ATLANTIA

Ivan Ivanovich Nemyti. Blazon correction. Per chevron Or and vert, two open books azure and a catamount couchant ermineois.

The LoAR misspelled *catamount* as *catamont*.

January 2003

ATENVELDT

Adam Carlos Diaz de Castile. Blazon correction. Pean, a tyger rampant within a bordure embattled Or charged with six crosses of Santiago gules.

This was mistakenly blazoned on the LoAR as *Pean, an tyger rampant...*

August 2005

AN TIR

Vanya Betzina. Name.

The LoAR incorrectly noted that *Betzina* was his legal given name. It is not. It is his legal surname.

November 2007

CAID

Ivan Batu. Name.

This was incorrectly listed under the acceptances for the Middle. It was in fact a submission from Caid pending from the April 2007 LoAR.
