MARCH 2013

Atlantia

Elizabeth Sabine de Northumberland. Device. Quarterly azure and argent, three quatrefoils saltirewise counterchanged barbed and seeded Or.

Registered as *Quarterly argent and azure*, the field is actually *azure and argent*.

JUNE 2005

Gleann Abhann

Carson Wynne. Device change. Quarterly gules ermined argent and argent ermined gules, a stag's head erased within a bordure embattled sable.

When registered, this device was noted as a new device, instead of a device change. His previous device, *Gyronny wavy sable and argent, an orle counter-compony vert and argent*, is retained as a badge.
