Haakon Bjornsson. Device correction. Per pale azure and vert, an axe bendwise Or ermined gules.

Blazoned on the kingdom Letter of Intent as *Per pale vert and azure, an axe bendwise Or ermined gules*, the field is actually *per pale azure and vert*.

Katherine Alicia of Salisbury. Device change. Per bend sinister gules and azure, a wyvern couchant wings addorsed Or and a chief erminois.

When this device was registered, the LoI and LoAR failed to note it was a device change instead of a new device. The form, however, was clear. The previous device, *Vert, a bend bevilled argent between a swan naiant and a quatrefoil knot Or*, is retained as a badge.
