Caid

Xena Baxter Wynthorpe. Reblazon of device. Vert, in pale three garbs one and two Or and a stag's head cabossed proper maintaining and issuant from the attires a Latin cross, a bordure Or.

When Xena's device was reblazoned as *Vert, in pale three garbs one and two and a stag's head cabossed proper maintaining and issuant from between the attires a Latin cross, a bordure Or* to clarify that the garbs and stag's head are co-primary, the tincture of the garbs was inadvertently omitted. The garbs are Or.
