

## Errata

These are corrections to previous LoARs.

### July 2022

#### An Tir

**M{a-}lik ibn Q{a-}rin ibn al-M{a-}rid{i-} ibn Jinn{i-} al-'Abd{a-}r{i-} al-Shayb{a-}n{i-}**. Name correction from M{a-}lik ibn Q{a-}rin ibn al-M{a-}rid{i-} ibn Jinn{i-} al-'Abd{a-}r{i-} al-Shayban{i-}.

Registered as *M{a-}lik ibn Q{a-}rin ibn al-M{a-}rid{i-} ibn Jinn{i-} al-'Abd{a-}r{i-} al-Shayban{i-}*, the LoI as well as the submission form accidentally left a macron off of the last name element. It was present in the documentation, and the error wasn't caught during proofreading. We are restoring it at the submitter's request.
