

## Errata

These are corrections to previous LoARs.

### February 1977

#### WEST

**Arthur Glendower.** Name and device. Or, a flame gules above an altar sable between two lions combatant azure.

Listed on both the Letter of Intent and Letter of Acceptances and Returns as *Arthur of Glendower*, it has been listed in the O&A without the article. Checking the form, it was submitted without the article. Since no reason was given on the LoAR for the change, we are returning it to the submitted form.
