July 2012

Middle

Duncan Sinclair the Cordwainer. Name change from holding name Duncan of the Middle.

When his name was registered, the form and LoI indicated that it was a resubmitted name, but not that a holding name had been previously made in November 2011. We are correcting that oversight.

August 2015

East

Beatrice de Warynton. Device change. Azure, in pale two seeblätter argent.

When her device was registered, the LoAR and LoI failed to note that this was a device change. The form, however, is explicit. Her previous device, *Argent, a peacock and on a chief embattled azure three crescents argent*, is retained as a badge.

Atenveldt

Lia Winterbourne. Device. Per bend sinister azure and vert, on a bend sinister between two musical notes argent a rod gules and a flowering woodbine vert flowered Or entwined.

When her device was registered as *Per bend sinister azure and vert, on a bend sinister between two musical notes argent a rod gules and a flowering woodbine vert flowed Or entwined*, the LoAR misspelled *flowered*.
