

Errata

These are corrections to previous LoARs.

August 2015

Calontir

Rébeca la Chienne. Device change. Argent, a wooden harp with the forepillar carved as a dog proper, in chief three open scissors inverted vert, a bordure sable.

When her device was registered, the LoI neglected to note it was actually a device change. Her previous device, *Or, a dog's head couped sable, in chief three pairs of scissors vert*, is retained as a badge.

Note that this device change is also reblazoned on the February 2019 LoAR.

Meridies

Conor the Black. Reblazon of device. Per bend bendy argent and sable and argent, a wyvern gules and in base a thistle sable distilling gouttes de sang.

When this device was reblazoned, the kingdom of residence was listed as Calontir. It should have been Meridies.
