For the June 2005 meetings, printed September 2, 2005

To all the College of Arms and all others who may read this missive, from Elisabeth Laurel, Gwenllian Wreath (outgoing), Jeanne Marie Wreath (incoming) and Margaret Pelican, greetings.

This letter contains the issues raised in the June 2005 LoAR for CoA discussion. The text in this letter is copied verbatim from that LoAR; it is provided here for convenience. As with a September 2005 LoI, these matters are currently scheduled for the Pelican and Wreath meetings in January 2006. **Original commentary must be in the College's hands no later than November 30, 2005. Responses and rebuttals to commentary must be in the College's hands no later than December 31, 2005.**

1. Elizabet Alfinnsdottir. Device. Sable, on a bend sinister between two unicorn's horns bendwise sinister Or, an ivy vine throughout vert.

Listed on the LoI as *Per bend sinister vert and sable, on a bend sinister between two unicorn horns bendwise sinister Or, a vine throughout vert* the field is actually sable. This is pended to allow research under the correct tinctures.

This was item 4 on the Atenveldt letter of February 25, 2005.

2. Sven of Tor Brandt. Holding name and device (see RETURNS for name). Per chevron Or and sable, two wolves combattant sable and a drakkar argent.

Listed on the LoI as *Per chevron Or and sable, two wolves combattant and a drakkar sable*, this is pended so it can be conflict checked with the correct tinctures.

Submitted under the name *Sven gunnolfr Ragnaldson*.

This was item 11 on the Ealdormere letter of February 1, 2005.

Pray know that I remain,

In service,

Elisabeth de Rossignol
Laurel Principal Queen of Arms
