This submission was marked on the Letter of Intent as a change. The form was not marked as a change, but as section IV.C.7 of the Administrative Handbook points out, "If no instructions are included on the forms, the old name or armory will be automatically released when the change is approved." Also, Master Galleron wrote in recent e-mail that he had released his old device at this time and requested that the Armorial be corrected.

His old device, *Argent, on a hurt a wivern volant to sinister argent*, is released.
