

Errata

These are corrections to previous LoARs.

January 2014

Ealdormere

Magnus Strikewind. Name change from holding name Magnus of Harrowgate Heath.

Magnus' armory was registered under a holding name when the name was pended in August 2013. The January 2014 LoAR failed to note this fact.

September 2015

Atlantia

Lochmere, Barony of. Badge for Order of the Silver Tortoise. (Fieldless) A natural sea-tortoise bendwise argent.

When their badge was registered, its association with *Order of the Silver Tortoise*, registered in July 2015, was unintentionally omitted from the LoAR.
