## August 2017

### Atlantia

**Brynhildr Kaða Fóstora.** Device. Per chevron throughout azure and argent, two algiz runes Or and a brown chicken proper.

Blazoned on the LoAR as *brown chicken hen*, this is a bit redundant.

## May 1999

### Meridies

**Settimio d'Olivio.** Device correction. Argent, a lion-dragon and a bordure gules.

Blazoned when registered as *Argent, a lion-dragon and, a bordure gules*, we are removing the extraneous comma.
