

Errata

These are corrections to previous LoARs.

April 1982

Ansteorra

Mairghread Maire Draigdaimhalachd. Name change from Margaret Meri Dragonsfriende.

When her name was changed, the byname was misspelled as *Dragonfriend*. It was registered as *Dragonsfriende* in May 1980.

March 1990

Caid

Robert of Castle Berry. Name change from holding name Robert of the Angels.

When his name was registered in March 1990, the LoAR failed to note that this was a change of holding name.

August 2017

Artemisia

Nicolina de Parre. Name change from Nicolina of Cornwall.

When this name changed was registered in August 2017, the LoAR mistakenly noted that the submitter's previous name, *Nicolina of Cornwall*, was released. The previous name should be retained as an alternate name.
