

## **Errata**

These are corrections to previous LoARs.

### **November 2020**

#### **Atenveldt**

**Antonio di Sforza.** Name and device. Purpure, a dragon maintaining a sword, a bordure rayonny Or.

Blazoned when registered as *Purpure, a dragon maintaining a sword, a bordure raguly Or*, this bordure is actually rayonny.

### **March 2021**

#### **Meridies**

**Sara al-Garnatiyya.** Device change. Azure, flaunches ermine.

When her device change was registered, the LoAR neglected to note that her previous device, *Azure, a crescent and a bordure ermine*, was retained as a badge.
