Drachenwald

Insula Draconis, Principality of. Badge for Order of Luna of Insula Draconis. (Fieldless) A crescent Or.

When registered, the order name had actually been pended for further work, and was accepted with the addition of the branch name in June 2017; as it had been pended, it should not have been listed as a designator on the badge, and the association with the badge made later in June 2017. In the interests of simplicity, we are correcting the order name here.
