

Errata

These are corrections to previous LoARs.

December 2001

Atenveldt

Cera ingen uí Berichtir. Name change from holding name Kathryn of Atenveldt.

When this name was registered, the LoAR neglected to note it was a change of holding name. We are making that correction now.

When reblazoned in January 2024 as *Wolves-cut argent and sable*, the tinctures of the field were accidentally reversed.
