An Tir

Hrafna-Steinn. Device. Argent, a cloud and two ravens respectant one and two sable, on a chief azure three step-cut gemstones argent.

When this device was registered, the LoAR inadvertently spelled the name as *Hrafns-Steinn*.

June 2023

Atlantia

Annalena da Monteriggioni. Name change from Alessandra da Montere ggioni.

When this name was changed, the kingdom indicated the previous name was to be released. The submitter has indicated this was not the case, and as not too much time has passed, we are agreeing that the submitter's previous primary name, *Alessandra da Montere ggioni*, should be retained as an alternate.
